BEST

*Best

adj., (superlative of good) 1. most excellent; surpassing all others; most suitable, most desirable; in the most excellent manner; in the highest degree, to the greatest extent; people of the highest worth, ability, v.t. to defeat; excel

OF THE 70'S

. . . MOST EXCELLENT; IN THE MOST EXCELLENT MANNER . . .

Wi Hi students are the most excellent and do everything in the most excellent manner. We had the most irresistable guy of any school around. We had the most excellent turn outs at sporting events with sometimes not a seat being left, and sometimes people getting so excited that they just couldn't stay seated. The Future Farmers sold most excellent plants, and the yearbook staff put together this most excellent Tom Tom. DECA did very well this year bringing many trophies back in the most excellent manner from competitions, and the smiles on the faces of the students let everyone know how truly wonderful Wi Hi is . . .

... SURPASSING ALL OTHERS ...

To be the best, we must strive to surpass all others, and many people at Wi Hi did just that. We had a Homecoming Queen who could hold her own over any queen, anywhere. We put up the highest Christmas tree in town and our band jammed louder and better than any other. We had winners of trophies and some of the best dancers to be found. There were those who stood out wherever they went simply by making "clowns" of themselves. And whether the Seniors were better than others is anyone's guess, but in their hearts they all knew they were.

Suitability and desirability are two things Wi Hi has a lot of. What cheerleaders anywhere can top our girls, when they're all dressed up in those short little outfits? Or, how about those guys in the lunch room in everything from jeans to the the fanciest dashiki. Wi Hi has everything from a pretty little girl with a big smile to a mild-mannered senior dressed up and ready to go. Some people found lunch very desirable, while others found someone more suitable to their tastes.

... MOST SUITABLE, MOST DESIRABLE ...

\dots In the highest degree, to the greatest extent \dots

It's typical of the students at Wi Hi to do things to the highest degree and to the greatest extent. Some even tried to carry the world on their shoulders. We not only yelled at pep rallies but painted bright banners to help express our opinions. And speaking of painting, who painted arch rival Bennett's anchor blue and gold when we won the mythical city championship in football? One student dressed up as a clown to help make others laugh, and some yelled from a truck at that terrific bonfire we had. The greatest extent, however, was that it was colder inside school than out, in the winter and warmer inside than out in the summer.

. . . PEOPLE OF THE HIGHEST WORTH AND ABILITY . . .

Wi Hi has many, many people of the highest worth and ability. There's the great Wi Hi math team made up of fourteen of the best mathematicians in the school. We had a year of highest worth in sports thanks to the leadership of terrific coaches. Seniors showed great ability by being the leaders of the school and by setting examples for everyone to follow. The band front showed their great ability at the Homecoming parade with their marching and twirling sticks of fire. We had terrific cooks who baked all kinds of goodies. We even had one singer who showed the highest worth by being chosen as the number one voice in Maryland. Wi Hi students are of high worth and ability.

... TO DEFEAT, EXCEL ...

Another part of being the best is to defeat and excel, and though Wi Hi teams didn't defeat all their opponents, they surely did excel. Our football team had a tremendous year which goes to show that hard work really pays off. Our basketball players really got off the floor to help sink the ball for two points. Girls' sports such as volleyball and hockey showed that Wi Hi's ladies are not to be laughed at when it comes to sports. The soccer team got their act straight and if "13" didn't help them their togetherness did. All sports teams at Wi Hi excelled and even if they didn't win they still played to win and made the whole school proud of them.

Wi Hi boasts not only about in-school excellence but also about out-of-school achievement in its students. For instance, Eddie Pinto, after ten years in Scouting, achieved Eagle Scout status this year. For Eddie, it was the realization of a goal "... it was the ultimate." Scholarship was the toughest badge for him, and the first he achieved. It was time-consuming (research for badges) and fun (camp stuff). Was it worth it? According to Eddie, "You bet!"

Wi Hi seniors hold several unusual jobs. Cheryl Stewart, for instance, has been modeling for two years. She belongs to a modeling group called Esotique, and has modeled at Benjamins and the Sheraton. She finds fun in the beauty tips and in modeling the 50's clothes, but she finds it hard to get used to undressing backstage in front of anyone around. Says Cheryl of this career, "It shows what you're like, inside and outside."

Top Row: P. Rogan, R. Lawrence, Bottom Row: M. Morrison, P. Lewis, A. Thompson

Providing much-needed leadership for the senior class this year were President Pat Rogan, Vice-President Robbie Lawrence, Treasurer Paul Lewis, Secretary Anne Marie Thompson and Historian Mary Morrison. These people led the class through the many trials and tribulations of seniorhood (Prom, Senior Fair, Graduation, All Sports Night). And it was through their efforts that we not only earned the distinction of being the last class of 70's, but the best class of the 70's.

Tim Meagher and Molly McGinty

Working for a politician does sometimes pay off. Tim Meagher, who took polls, passed out literature and made phone calls on behalf of Governor Hughes, was included on the guest list for the inaugural ball-the "Harry Hughes Lift-Off."

Molly McGinty was his guest for the dance and midnight breakfast affair held at the Naval Academy. Her impression: "I thought it was classy-all those furs!" Both found that the most unexpected thing was that there was nothing non-alcoholic to drink. Tim's comment on the whole evening was, "Someday . . ."

Can you imagine having an allowance of 7,000 a month? Debbie Close will for the next year-7,000 yen, that is, or \$35 per month. Debbie has gone to Omuta, Japan, as one of Wi Hi's AFS exchange students. She'll be attending an all-girls' private, Catholic, Japanese school. Quite a change for Debbie who says she'll really miss all the parties (co-ed) and her friends (co-ed). Her comment on this experience: "... this will be a year full of great and different experiences that I will definitely remember for the rest of my life."

Last October, Denise Harris was chosen to participate in the Ebony Fashion Fair at UMES. She was selected on the basis of her scholastic achievement and her character, and on the recommendation of a guidance counselor. Denise gained new friends and experiences there, but that wasn't all. Later, she was chosen Miss Congeniality by the members of the Zodiac Club at their annual Debutante Ball in December. Denise comments that this was ". . . one of the highlights of my life"-and she even learned to waltz with her father!

Got a problem you'd like our State Legislators to hear about. See Sammie Thomas who is Vice-President of the Governor's Youth Advisory Council (GYAC). Sammie, in his second year on the Council, is enthusiastic. He states that "It's broken me out of my apathy-I can do things that have an impact." For instance, the Council was consulted concerning legislation on child pornography, and on a national youth service as an alternative to military service. Sammie is interested in politics now-vote for him!

SGA president sounds like a big job- and it is. John Whall assumed office with two goals. He hoped to bring more activities to the student, and he planned to involve more students in SGA. He feels that he has succeeded with the first, but feels frustration with the second. A real shocker for John was the student apathy. He comments: "Students need to realize that they initially must get involved and not expect others to do things for them."

Class Of '79 History

In 1975, while the nation was preparing for its bicentennial celebration, our class was being formed; now we are the graduating class of 1979.

To refresh our memories, we go back to that summer of 1975, the beginning of our freshman year. Ninth grade was integrated into the senior high school life, and we were the first class. That year, some of us attended the new Parkside Senior High School. Raising money, always one of our goals, was done through bake sales and car washes.

Our Homecoming float had Jackie Moreno as Betsy Ross sewing the American flag. We placed last, but we had given it our best try. Homecoming attendants were Cindy Labounty and Laurie Haslam.

Reunited as sophomores, when our classmates returned from Parkside, our class grew and continued its formation. Lifetime friendships started developing and a sense of closeness prevailed. That year, we worked together to win second place in the Homecoming float competition with Kent's helmet with a Wi Hi arrow through it. This matched the Homecoming theme of "Kent's Last Stand." Our Homecoming attendants were Cindy Labounty and Denise Harris. Again we had car washes and bake sales to finance our activities, but this year we also had a Donation Day to raise money. This year was memorable, and our positive thinking was leading us to the top.

In 1977-78, the full potential of this class was beginning to show. In academics, sports, and all extracurricular activities, the Junior class was making its presence known and felt.

We started the year off by placing second again with our Homecoming float. Its theme was "Wi Hi's Tough-No Yolk." Laurie Haslam and Molly McGinty ably represented us as Homecoming attendants. Money was raised by selling Wi Hi hats, raffling off candy kisses in a jar and, of course, more bake sales and car washes. On All Sports Night, we won the trophy. In April, we finally got to order class rings. And in May, we sponsored the Junior-Senior Banquet, and made it original with our Disco afterwards.

Finally! Our year to be Seniors-the mighty class of 1979. Our officers were: President-Pat Rogan: Vice-president-Robert Lawrence; Secretary-Annmarie Thompson; Treasurer-Paul Lewis; and Historian-Mary Morrison. We started our year on a new note with the Senior Fair. After this successful endeavor, we continued our winning ways with our Homecoming float, "Kent's In the Doghouse." Our Homecoming attendants were Cheryl Matthews and Benita Barkley, and our Homecoming Queen was Molly McGinty. Christmas was next, and many Seniors attended the Christmas Dance.

An unexpected vacation came in February as the Blizzard of '79 hit Salisbury. We received six glorious days off, which, of course, we Seniors did not have to make up. In the Spring, we gathered momentum with the Junior-Senior Banquet which featured awards for a few Seniors and Disco for all. Senior Comprehensive Tests followed, but excitement really started rising with the arrival of caps and gowns. Our class worked together to prepare for our Prom. The theme was "Tonight's the Night," and the band was Flight 009.

Or class colors were burgundy and silver; our flower; the white rose; and our song, "Do You Know Where You're Going To?" Our Motto is "To achieve all that is possible, We must attempt the impossible. To be as much as we can be, We must dream of being more."

Senior awards were given to outstanding students. Jeanette Shafer was the valedictorian, and Alana Culver also received several awards. The first athlete in Wi Hi history to receive three sports awards was Kory Hooker.

Following tradition, we wore our caps and gowns and proceeded as a class to Baccalaureate service.

As our activities came to a close, and the class of 1979 became history, all of us had memories-both fond and sad-of these important and formative years of our lives. We leave with mixed emotions, but we do so knowing that our teachers, our friends and our parents have been behind us and have done their best to aim us in the right direction and to bring us to the climax of our education-graduation. Our history will keep us moving forward.

Respectfully submitted, Mary Morrison Historian '79

The Fairest Of The Fairs

On Sept. 23, 1978, for the first time ever in the history of Wicomico Senior High School there was a Senior Class Fair. This landmark event began at approximately 7:00 a.m. During the early hours booths were set up for the clubs who leased the booths from the Senior Class. The booths were operated by clubs or organizations whose purpose was to raise money for their club or organization. All booths were original and different. The Senior Class provided the majority of the food, including fried oyster sandwiches, crabs, hot dogs, and soft drinks. Some of the activities of the day included a dunking booth, pie in the face, wet sponge throw, pull string, penny pitch, and many bake sales. The whole day was a success, and fun, and profitable.

Wi Hi-Fashion City

If this was the year of the well-dressed, Wi Hi was a leader. Thiis year's seniors tended to show more pride in the way they dressed than past classes did. They showed style and sophistication in their choice of clothing. High heels, disco dresses, vested suits, boots, and hats, hats were all over the school. All classes boasted sharp dressers, but the Seniors stood out. In fact, the Seniors held a Senior Dress-up Day and Joyce Williams and Larry Heidt were proclaimed Mr. and Ms. Fashion.

Abby is a Wi Hi AFS exchange student now in the land many say has the most beautiful women in the world-Thailand. She was chosen after making application, being investigated, being interviewed and being matched with a Thai family. Abby was especially pleased to be going to the Far East, an area of particular interest to her. She'll miss her friends, but she'll be back in time for spring and all that means to a senior.

What would the Junior Class be without their officers? These people have held up the Junior's spirit, and held the class together all through the year. They participated and cheered us on to win All Sports Night to show just how talented the Juniors really are. They've led many successful moneyraising projects to make the 1979 Junior-Senior Banquet one of the best ever.

Martha Brown and Les Jones are Wi Hi's drum majors for the 1978-79 school year. They direct the band on the field, display their showmanship in marching, and "show-off" their style of directing. Martha and Les really didn't expect the positive response they received from the crowd, but they deserved it; they had the top drum major in the country to teach them. They spent five days of their summer at camp at Westchester State College with other drum majors from all over. Martha and Les said they enjoyed the experience and their chance to show others what they knew the best. They wanted the job most to surpass former drum majors, and their performances have shown that they have succeeded.

Junior Class History

The Juniors opened their last year as underclassmen in September, headed by Michele Garigliano as President. Other Class officers were Vice President-Susan Cherry; Secretary-Patty Fennell; Treasurer-Terri Mills; and Historian-Stephanie Brown. Class sponsors were Mrs. Claudia Mowen and Mr. Charles Cross.

The first event of the year was the Homecoming float competition, held on October 13. This event, featuring "Cartoons", became an interesting endeavor for the Juniors because of the confusion. Porky and Petunia Pig announced "T-t-that's all folks" to all who came to the Homecoming game. Even though we didn't win, it was fun constructing the float.

During Christmas, the Juniors sold candles and calendars, for money making projects. The sale was a success! On January 3, All Sports Night was held in the Wi Hi gymnasium. The Juniors dominated and were awarded a first place trophy. They sacked, ping ponged, izzy-dizzied, and crawled their way to victory.

The main event of the year was the Jr-Sr Banquet which was held on April third in Wi Hi's cafeteria. We managed to surprise several Seniors with the awards, and enjoyed being served by Mr. Evans, Miss Stephenson, Mr. Smith, Mr. Cross, and Mrs. Mowen. The Force entertained, and English's catered. About 350 students attended and everyone enjoyed himself.

The Juniors had many fund raising activities such as an ice cream sale, Junior 50¢ day, a calendar sale, a candle sale and a candy sale. Our treasury was happily boosted.

Special thanks to our advisors Mrs. C. Mowen and Mr. C. Cross for their time and ideas which were indespensible. Also special thanks to Mr. Robinson for the use of his garage to build our float. Also thanks to the sophomores and Freshman who served at the Banquet.

Thanks to all Juniors who participated in any way. Remember we'll be big number 1 next year!

Respectfully submitted, Stephanie Brown Jr. Class Historian

In Memoriam

Donna Marie Gurey January 3, 1962 to July 7, 1978

Everyone remembers the song "Only the good Die Young" by Billy Joel. It became especially popular around July 7, 1978, when a good person named Donna Marie Gurey died.

For those who were close to her, the song still brings tears to the eyes. Remembering that day brings all the sorrow back.

Donna was an excellent driver, so everyone wondered how she could have had so tragic an accident.

Donna was born in Florida, but came to Salisbury when she entered eighth grade.

She had just completed her Sophomore year at Wi Hi. She was a member of the track team, the yearbook staff, and National Honor Society.

Donna Marie Gurey will be missed by all, especially by her close friends who were cheered by her smile and astounded by her courage.

Goodbye, Donna

The sophomore class raised money for their Homecoming float, which came in third, by selling baked goods at the Plaza. The class had the first wreath sale at Christmas Land with homemade wreaths. Their spaghetti dinner was held March 3 and proved very successful. The class pulled out a close second at All Sports Night with great support. The Sophomores had a successful year with great support and spirit.

Everytime the siren goes off at Station #6 in Parsonsburg, Eddie Arvey pays attention. For over a year he has been a volunteer fireman there. Dressed in boots, coat, helmet, and air tank (all his own), he has gone into burning buildings to fight fires. For Eddie, it offers fun and danger. Being careful is important. Eddie comments: "It's adventurous-I'd choose it over all other jobs."

It's hard work for sophomore Joyce Rieben to maintain a "B" average and to gain a spot in the starting basketball line-up. But she's done it, and she's averaged 15 points per game besides. Though she plays other sports, basketball is her favorite because she sees it as a team effort: "Working with a team makes teamwork mean something." Joyce hopes to coach college basketball someday- she has a great start at Wi Hi.

Jim Mendenhall is unique among Wi Hi students. He is the shortest person in school. Jim doesn't mind though in spite of the "short" jokes he gets like: Are you sitting up in your seat, Jim? And there are advantages-he gets into movies cheaper, gets a lot of attention, and can get through a crowd faster than tall folks. One thing Jim doesn't like- people tend to treat him like a child. Even as a lowly freshman Sarah showed her talent- she was playing Grade 6 music (the hardest) and achieved a rating of one (the highest). For the past two years, she has been first chair in the All-Shore Band and this summer she will travel with America's Youth in Concert when they tour Europe. Nice Tootin, Sarah.

Sophomore History

At the beginning of the school year, we were all enthused and looking toward a fun-filled year. After summer vacation the first order of business was for our officers to meet. They were as follows: President: David Michaud, Vice-President: James Parker, Secretary: Andrea Karras, Treasurer: Gayle Bowden, and Historian: Lisa Griffith.

In order to finance our activities, we relied upon bake sales in the summer, and provided all those "goodies" at the soccer games again. The success of selling Christmas wreaths and the spaghetti dinner helped us to pay off our Homecoming debts also.

All the long hours spent on building our Homecoming float were not in vain as our class placed third. The theme of our float was "Wi Hi Leaves Kent In the Dust." It featured a road runner running toward a gold goal post for a touchdown. We are proud to say that our Sophomore Homecoming representatives were Tammy Myer and Judy Leatherbury. Many thanks go to Steve Sharff and his parents for letting us use their garage in building our float. And we cannot forget Mr. and Mrs. Nelsonwho so willingly gave their time and money toward our class float. We would also like to thank all of those who contributed their time and efforts to make this a worthy project.

Needless to say, we will all remember our achievements at "All Sports Night" by placing second, which included beating the Senior Class. What a goodie for us "lowly sophomores."

We closed the year helping to serve at the Junior Senior Banquet.

As our year comes to an end, we would like to give thanks to Mr. Stanley and Mrs. Royal, our class advisors.

It's been a good year for us. We parted for the summer, but we'll be back in September full of energy and ready to accept whatever challenges our junior year may bring.

The freshman class surprised everyone this year with their second place in the homecoming float competition. They supported a booth at the Senior Fair. The class raised money by selling M & M's and goods at the J.V. football games after school. The class came in fourth All Sports Night, even with a lack of support. They're a great class and will show Wi Hi a lot of spirit in the years to come.

"Being the only 9th grader on the wrestling team isn't easy; I feel that I have to do a lot more. But it makes people look up to me." So says Jeff Malcom who has been wrestling since 7th grade. He likes the one-on-one competition and the great feeling of winning. And win he has. For instance, in 1978 he took third place (bronze medal) in the Georgetown Tournament. It's fun; it's a challenge; and it's satisfying to Jeff.

Alex played J.V. football during most of the season but was chosen to move up to the Varsity squad near the end of the season. Surprised? Yes-especially since he was the only freshman chosen to move up. Alex was happy to be able to get the experience of playing with the Varsity team and "especially happy because not many freshmen get to move up." Good luck, Alex- we'll be expecting great things next year.

Most people keep in shape by jogging these days, but not Wanda Evans. She keeps that way through dancing. For the last nine years, she has been learning ballet, tap, jazz, and pointe. Although she doesn't plan to make a career of it, Wanda continues her study of dance because she can express herself while she keeps in shape. Appearing before the public in recitals is a pleasure, too, and Wanda says there is a great deal of personal satisfaction in dancing well—even though she is exhausted after every session.

Those Roman bracelets you see on Vonda Goslee are more than mere jewelry. She won them by participating in a talent contest at the Civic Center in February. She did a Japanese dance and gave a speech to win a trophy, and the bracelets, at the Cinderella Ball. This ball is a fund raising project given by Tops, a young women's organization sponsored by Phi Delta Kappa Sorority, Beta Tau chapter of Salisbury. Vonda was surprised to win, but we would have been surprised if she hadn't won.

Music in one form or another is where it's at for Paula Commodore. She sings, plays piano and organ, plays in the school band, and dances. Most of all she dances. Ballet, pointe, tap, and jazz are her favorites. Dancing is the way Paula expresses her creativity. And she enjoys the excitement of recitals, even though it means a lot of hard work. "I really feel important; it's one thing I can express myself in." It must be important to Paula or she wouldn't have put nine years into it.

Even though Chris Thrash is a freshman, he took college computer courses last summer at UMES. How did he get so lucky (or unlucky, depending on your viewpoint)? Chris was chosen on the basis of his Iowa test scores. John Hopkins had done a study to pinpoint mathematically precocious youth throughout the U.S., and Chris was one. Math is not his only interest, though. He took the National Latin exam and was one of only 14 out of 18,000 students to receive a perfect score. In addition, he spent four days at Notre Dame College in Baltimore studying the classics. He's very much "into" Greek history and language, and this weekend gave him a chance to meet others with the same interest. Nice, going, Chris. What next?

In Memoriam

Here rests his head upon the lap of earth A youth to fortune and to fame unknown. Fair science frowned not on his humble birth, And melancholy marked him for her own.

Large was his bounty, and his soul sincere, Heaven did a recompense as largely send; He gave to misery all he had, a tear; He gained from Heaven ('twas all he wished) a friend.

Freshman History

Confusion set in as the Freshmen entered the halls of Wi Hi for the first time in September. Quickly organizing themselves, the Freshmen elected their officers, who were: President-Jenny Trivits; Vice President-Susan Montgomery; Secretary- Ann Meilhammer: and Treasurer-David Moreno.

Money was raised for their float through a Sand Dip at the Senior Class Fair. This proved to be successful because they pulled out a second place finish with the theme "Mickey Marches on to Victory." Mickey was superbly constructed of brightly colored tissue paper. They were very proud of their marvelous entry.

Along with the beautiful float, the Freshmen class had beautiful Homecoming attendants. Connie Hoprich and Lisa Smith rode high and mighty during the parade, to represent their class.

Lack of participation caused the Freshmen to pull out a fourth place finish in the All Sports Night competition held on February 3.

To keep themselves busy, fund raisers such as two bakesales, a yard sale and a very successful M & M's sale were put into action. From the way it started out, we have to look forward to many great things from the class of 1982

FACULTY & ADMINISTRATION

Robert Evans: Principal

To Mr. Evans, the Administration and the Faculty of Wicomico Senior High:

The past four years have gone by so quickly, but in those years many things have happened. We were the first Freshmen at Wi Hi and felt that it made us a little bit special. Even though we were the "babies" of the school we knew that one day, with your guidance, we would make it to where we are now. As Sophomores we knew we were beginning to grow up and shouldered many new responsibilities. Our Junior year was one in which we matured a great deal and started to earn the respect of those teaching us.

Now as Seniors we are looking back on all we have accomplished, but also we are looking forward to what the future holds. We will never forget all the help you have given us, not only in our academic education but also in our social education.

We know that we could never express all the gratitude we feel, but thank you for the past four years.

Sincerely, The Class of 1979

THE TEAM THAT KEEPS IT CLEAN

SPORTS

Those girls in the blue and gold have really shown Wi Hi how spirited they can be. They've yelled us on to victory, and cried with us on our defeats. They have had their fair share of sore throats and thankless tasks. Of course, they are the Wi Hi cheerleaders.

These girls raised over \$2,000 to buy new uniforms for both squads. The cheerleaders wanted to looked perfect, for they worked hard for their positions: only twenty out of fifty prospects were picked.

While most of us were enjoying a leisurely summer, the cheerleaders were up at 7:00 learning new cheers and chants. They travelled to Gettysburg College for four days of instruction and competition. The Varsity received the two highest awards given at the camp: The Golden Eagle trophy and banner for the best overall squad at the camp, and a plaque for being the most spirited and friendly squad.

The Indians finished the 1978 football season with an impressive 9-1 record. Our only loss came in the last game of the season, a 9-0 defeat by Cambridge, but the season's highpoint was the City Championship — defeating Parkside 20-6 and Bennett 14-0.

The team was loaded with talent. Kory Hooker was honored as MVP, while Mike Sutton was named outstanding offensive player of the year. The tri-captains were Brian Harris, Chucky Smiley, and Kory Hooker. Tony Johnson, Larry Heidt, Mike Sutton, and J.D. Wells were selected for the All-City Offensive Team, while Donald Leak, Chucky Smiley, Paul Lesocky, and Gary Richins were named to the All-City Defensive Team.

Many exciting games were won in the last minutes. For example, in the Sussex Central game Mike LaBounty calmly booted a 33-yard game-winning field goal with less than two minutes left. Also, the Surratsville game was a defensive struggle throughout as we went into the final five seconds with a 0-0 score. On the last play of the game, Wi Hi went for broke and threw a long pass. The pass, a little behind the receiver, was hauled in one-handedly by Gary Richins who then strode past two defenders into the end zone with no time on the clock.

Moving On Up

Marty McGinty leads the team onto the field.

The J.V. football team had a hard-earned 4-3-1 season. Mel Williams and Marty McGinty led the offense line attack while Alex Davis and Alex McKenzie were the leading backs. Joe Appleby, John Psota and Davis were the mainstays on defense. Williams was named MVP by coaches Dave Underwood and George Blankenship. Coach White hopes for these ballplayers to fill vacant spots on the varsity level next year.

Wi Hi ended its season with a surprising 8-3 record. Despite being picked to finish sixth, they finished second in the Bayside Conference. After losing two out of the first three games, they went on to win the next seven games. The climax of the season was getting revenge on Bennett 3-0 on our home field to capture first place in the Class B, District 8 Division.

Coach Richard Roman and assistant Coach Robert Krater will miss the services of the following Seniors: Paul Ware-MVP, Tim Emge, Jerry Oliver, David Jenkins, Pat Rogan, and Brendan Wilkerson. These players all shared the title of Captain.

This year's hockey record was 2-4-4. Graduating seniors included Wendy Long, Renee Nacrelli, Mary Morrison, Mary Kay Mooney, Deena Parker, Lisa Wright, Jeri McDaniel, Debbie Close, Cindy Jones and Michelle Christopher. Outstanding underclassmen were Jan Miles and Sarah Townsend.

The team showed promising improvement in the latter half of the season due to the change in strategy, instituted by Mrs. Holliday and Mr. Stanley. Conference officials voted this year's team as most improved in the Bayside Conference. Renee Nacrelli was MVP while she and Jeri McDaniel led the team in scoring.

The Volleyball team of 1978-79 took a giant step forward this season. They became the "mythical" city champs by defeating both Parkside and Bennett. The team also captured the title of District 8 Class B Champs. It was a thrilling and exciting season for the first time cheered by both energetic cheerleaders and fans. Ace servers such as Brenda Prushansky and Joyce Rieben and a lot of determined players seemed to be major factors for such a remarkable season. Other outstanding players were Molly McGinty (who was Captain, MVP, and head spiker), Jackie Moreno, Pam McGlothlin, and Deshirl Rankins.

Cross Country

Wi Hi's Cross Country team finished the 1978 season with a winning 9-1 record, stopping both crosstown rivals in their tracks. Finishing second in Districts, they then pushed on to a respectable 6th in the Maryland State Championships. This performance avenged their earlier loss to Easton.

The team was led to their victories by M.V.P. Jim Lashley and Captains Bill Dunahoo and Rick Ellwanger. Next year's team should be very strong and promising with only six seniors leaving.

The girls kept up the good work with an undefeated season. They ran on to win the Bayside and District Titles. Travelling on to State, they received a 6th place score.

The captains were Marlena Wilson and M.V.P. Paula Scott. Marti Windsor is also recognized for her outstanding efforts.

The Basketball Team had a fine 14-7 year. Despite losing much senior talent, Coach Waller pieced together an inspired team-oriented squad which surprised many of their foes.

Offensively, the tribe was well balanced with Jackie Walls, Roger Moore, Paul Butler, and Tony Johnson scoring 280, 252, 237 and 192 respectively. Scott Smith, point guard, dominated the conference in assists as well as leading the Indians in free throw percentage with 79% (please note 79!)

Wi Hi impressed local fans by capturing the first annual Wicomico County Holiday Basketball Classic over Indian River, Park-where?, and James M. Who? In the District Playoffs, the Indians lost in the second round. Overall we should congratulate Coach Waller and his superb basketball squad.

Despite a weak start the female cagers fought back to a respectable 10-8 season. The girls defeated cross-town rival Parkside not once, but twice! They also demolished arch-rival James M. Bennett. Led by Joyce Rieben, Cheryl Stewart and Deena Parker, the tribe played very exciting and emotional basketball. Although losing seniors Cheryl Stewart, Deena Parker, Myra Burke, Sheila Wilson and Lisa Wright, the tribe should have a fine nucleus of returing lettermen to insure a successful season next winter.

The J.V. Basketball team concluded its season with 3 exciting wins to even their record at 8-8. The most exciting points of the season included narrow victories over explosive teams such as J.M.B. and Crisfield.

Jaenell Downes was the leading scorer with an astounding ll.9 points per game. Jerome Mitchell was the leading rebounder with 12.3 rebounds per game. According to Coach Roberts "All Players contributed and received valuable experience during the season." This should lead to a successful varsity program in future years.

Starting Out . . .

Hurry up Lisa!

STARTING OUT . . .

Cheerleading is: "so much more" than just getting out in front of a crowd of people and yelling. It's learning to live by certain rules and guidelines. It's tears, smiles . . . laughter. It is a challenge and an honor.

Try-outs were held in April this year, with only 7 positions to be filled instead of the traditional 10. This really put the pressure on, but the judges did a great job in the choices.

The 78-79 J.V. Squad started off with a funfilled weekend in Lewis, Del., at their advisor's cottage. The Varsity also went and it was during this weekend that the two squads really got to know each other, and to share ideas and thoughts.

This, year for the first time, J.V. and Varsity practiced and worked together. Both squads benefited, and because of this arrangement, J.V. performed as if it were their 2nd or 3rd year, instead of their first. Wi Hi should be proud of this year's J.V. Squad. The tremendous time and effort they put into being top grade cheerleaders really showed, and Wi Hi is assured of having fine cheerleaders in the years to come.

According to Coach Underwood "We had our best season in the history of Wi Hi wrestling". This great season consisted of a 9-2 regular season record, a second place in the Bayside Conferance and a third place in the District tournament. Eight Wi Hi wrestlers advanced to the Regional tournament by grappling their way past District competitors.

Despite having no superstars, the team was very well balanced. For example, sophomore Don Sample was undefeated with a great 9-0-2 record and freshman Jeff Malcom finished with an outstanding 8-2 record. Senior Donald Leak finished off the regular season in the rough 157 pound class with a 9-2 record. Junior Paul Lesocky ended with a terrific 9-1 record.

This great 9-2 record will be hard to beat in the coming year!

Mark does a double take.

With an overall 16-4 season, the baseball team fell just short of a State Championship by losing to Elkton 3-2 in the quarter finals of the State play-offs. The game marked the close of an outstanding 14-3 regular season which culminated in the defeat of former State champions, Queen Anne's, for the Bayside title. Another highpoint in the season was the 2-1 defeat of Parkside. The game, which ended after 11 innings, was a pitching duel between Wi Hi's Larry Heidt and Parkside's Lee Shockley.

Leading the team chart was Kory Hooker, MVP, 480 with 26 hits, Les Jones and Gary Richins combined for 24 stolen bases, and Larry Heidt led the pitching force

with a 6-1 record.

With a predominantly senior line-up including Larry Heidt, Gary Richins, Colon White, Mike LaBounty, Eddie Pinto, Kory Hooker, Paul Lewis, and Marvin Mitchell. The team will face a rebuilding season next year. However, under the capable coaching of Mr. McKenzie and Mr. Blankenship, and the returning starters John Massey, Les Jones, and Mark Mason, the team should enjoy another great year.

They finished second, behind cross town rivals Parkside. The boys' team also finished third in District VIII Tournament. Jeff Parker, Carson Bozman, and Ray Still represented the team in the Districts. The MVP was Jeff Parker. The team is very young and should be very competitive next year.

This year's GIRLS tennis team had an average 9-5 season, despite our loss of Patti Fennell and Pam McGlothlin who were unable to finish their season because of injuries. We got ourselves together and shut out five teams 7-0. Our MVP was Tracy Whitelock. Players who participated in the District tournament were Tracy Whitelock, Kari Dianich, Annabel Singh, and Gayle Bowden. Even though we have only five returning players we hope to do better next year.

Jeff Parker at his best.

After a brilliant 14-5 season last year, resulting in a Bayside Championship, the girls' softball team had to settle for a not-so-fantastic 2-15 record this year. Suffering from inexperience, the team struggled through the season under the capable leadership of returning starters Renee Nacrelli, Mary Morrison and Molly McGinty. These three players, along with Brenda Prushansky, lead the team in all offensive and defensive aspects of the game. Renee Nacrelli was voted the most valuable player due to her stalwart play in center field. High points in the season were the wins over Pocomoke and Class C Championship-hopeful Stephen Decatur. But the season wasn't a total disaster, for the seniors leave with memories of "big mouths", funny jokes at each practice and nicknames that will always be cherished.

This year's Boys Track team finished a successful season with an 8-2 record, losing only to Parkside and Bennett. Revenge was sweet at the District 7 & 8 MPSSA meet where the team captured First place much to the delight of our coaches and us. This year's highlights included J.D. Wells breaking the school record for discus. Rick Ellwanger broke the 20-year-old mile time, and the two mile record was smashed by Jim Lashley. The team captured 2nd in Bayside and 4th out of 36 schools at Staley. MVP was Senior J.D. Wells; Captains were J.D. Wells, Burt King, and Rick Ellwanger. With only six Seniors leaving, next year's team should have another season full of surprises for opponents.

The Girls' Track team had a fantastic 6-3 season. They placed second at the Class B District Meet, finishing ahead of Bennett and Parkside. Those who placed in the District Meet, which qualified them to participate in the State Meet, were: Tanya Collins, Lisa S. Culver, Pat Harmon, Sharon Marvell, Jeri McDaniel, Deena Parker, Joyce Rieben, Jaki Ringold, Paula Scott, Carole Wells, Marlena Wilson, and Julie Wright. Those who placed at the State Meet in Towson were: Jaki Ringold-6th in the 100-yard dash, Paula Scott-6th in the 880-yard run, the 880-relay team-6th and the mile relay team-5th. The team couldn't have had such a great year without Jeri McDaniel, this year's MVP, and all of the other great athletes.

The Wi Hi band is one of the busiest groups around school. Aside from band concerts, playing at football games, marching in parades, and selling submarine sandwiches, they have participated in several competitions and did Wi Hi proud. In the Delmarvacade March Competition, our band placed first in Class A. They also took part in the Old Dominion Classic Band Competition, and achieved superior ratings in the District Concert Competition. Mr. Anno, band director, keeps them "stepping high" in every way.

This year there were two state officers from WiHi, James Trower and Susan Shcockley. Next year's State officers are Sandy Keyes and Sam Windsor. These new officers will assume their responsibilities in September. Winners of the statewide Skill Olympics held at Howard Co. Vo-Tech in April included: First place, Gold medal winners: Parliamentary Procedure Team-Pratt Dukes, James Trower, Sandy Keyes, Randy Mumford, Sam Thomas, Robert Gregory, Trudi White; Practical Nursing-Susan Shockley; Scrapbook- Denise Dennis. Second place, silver medal; Electronica-Andrew Isakson. Third place, bronze medal: Child care-Kathy Timmons, and Opening and Closing Ceremony-Brenda Warren, Vera Miles. Skill Oylmpics first place winners will compete in National competition in Atlanta, Georgia. Wicomico again was the Outstanding Chapter. Susan Shockley was named Outstanding Vica Student of Maryland. Susan was also Outstanding Vocational Student at Wicomico Vo-Tech.

Vo-Tech Is Worth The Time

Vo-Tech offers an opportunity to learn several practical skills. Everything from food service, to welding, to nursing is offered. It's scary sometimes, and dirty other times, and greasy, and eye-straining but it's also worth it. WiHi students who attend Vo-Tech find that they do indeed turn out to be what they want to be. These students "know where we're going to".

KISS IS IN TOWN!

Fine Arts Week, Agriculture Awareness Week, Social Studies Awareness Week, and Science Awareness Day held in early spring, offer a variety of activities for students. This year during Fine Arts Week, we had a dance assembly and workshops; poetry, music, makeup, and pottery-making demonstrations; an art display; creative writing contests; and a dramatic assembly presented by Center Stage. But this was not the only "Special Week." During Agriculture Awareness Week, flowers and plants were very much in evidence around the school. Field trips were also available to appropriate places. The Social Studies Department brought several celebrities to school as speakers and discussion leaders for Social Studies Awareness Week. Among them were former Governor J. Millard Tawes, Delegate Lewis R. Riley, and Mr. Lazlo Domeney. Movies and discussion groups also highlighted that week. Field trips to Poplar Hill Pre-release Unit, to District Court sessions, to Kirk Pewter, and to Burroughs, Inc., were also popular attractions. Another department which made us "aware" was the science department. Although it was only one day, it was full. Scientists from Wallops Island came to fascinate budding meteorologists.

The FBLA at Wicomico Senior High had a very profitable and interesting year. They had several fundraising projects. Among them were bake sales and card sales.

They also attended the Regional convention held at Parkside High on February 6. They competed and placed in six events: Faith Bivens, 1st place, Job Interview; Joyce Williams, 2nd place, Stenography II; Donna Hooper, 1st place, Clerk Typist II; Chris Ellis, 1st place, Business Math; and Diane Shockley and Diane McKinney, 1st place, Poster Contest. Teresa Malcom was elected Region IV Vice President for next year. These members then competed in the State conference at Hunt Valley Inn in April. At this conference, several members also placed: Faith Bivens, 7th place, Job Interview; Diane Shockley, 9th place, Poster Contest; and Chris Ellis, 9th place, Business Math. Also Faith Bivens and Joyce Williams won third place in a Gong Show.

FBLA closed their year's activities in April with a tea for the school secretaries. It has been a productive year for this group.

theme was cartoon characters, began with the Keyette's Spirit Chain competition, won by the Juniors. It continued with the Club Banner Competition. On Friday afternoon, the Pep Rally got us in the spirit. Seniors were the rowdiest, and Hank Barkley was declared Mr. Irresistible. That evening the game was preceded by float judging and the parade. During halftime ceremonies, Molly McGinty was crowned Queen by SGA President John Whall. On Saturday night, the Homecoming Dance was held. Disco music was provided by WWTR. A dance contest, held later in the evening, was won by Faith Bivens and Chico

The Great Wi Hi News Variety Show

Making beautiful music with Curtis.

Again this winter, the Wi Hi News sponsored the Variety Show. Held in the auditoium, this is a chance for Wi Hi talent to show its stuff, and it is always well-attended. And talent was present-there was something for everyone. Among the talent (and neartalent) who performed that night were rock bands Gray Rock and Freefall, Michelle Welch and Wright Still in an instrumental duet, and Curtis Everett with a double whammy-he both sang and played piano. Others did their bit, too, to add to an entertaining evening. Even the Monty Python take-off contributed its bit.

Drama Students Acting Up

Debbie gets into character.

Dwayne and Pat "deducting."

Backstage preparation.

Judy and Priscilla enter the mystery.

While the action was all out front, backstage "doings" were absolutely necessary. Learning makeup and staging, scrounging for props, constructing sets, lighting the lights, managing the money, and (last but not least) opening and closing the curtain are all jobs that must be done well if a production is to be a success. The Wi Hi Drama department had a dramatic year. Second year drama students participated in children's theatre. They traveled to many of the County elementary schools and presented three student-written skits. This was fun-the kids got a chance to ask questions of REAL ACTORS(?). Next in the year, was the Senior class play entitled "The Very Great Grandson of Sherlock Holmes." Sherwood Holmes was ably played by Dwayne Jackson in this mystery come-

dy. The suspense was great, but so was the comedy. Somehow, Sherwood found whodunnit. This play was very well-attended and praised. The next production was the Junior class plays. They were three one-act plays with the theme "A Night in the Future." The plays were "The Milestone," "Taking Honor," and "A Day in the Life of Foster DuPont." And the last production of the year was "Butterflies Are Free." It was done by Drama II students, who did an excellent job, even though they had a disappointing turn out. The year was one full of hard work, ups and downs, and sets and flats-memories for the people who participated in the events, especially their devoted director Mrs. Julia Taylor.

Backstage excellence means onstage excellence.

Assemblies And Other Things

He leads the band and dances, too!

Nowadays it's a pleasure to go to assemblies at Wi Hi. Our super new auditorium is a joy to be in, especially when there is a good show on stage. Student audiences are not always the greatest, but we keep trying-one way or the other-and the shows are worth the effort.

The year began with the yearbook assembly which gave a sound and sight preview of what we could expect to see in the Tom Tom. At this assembly, we also had the debut of the great, stupendous Yearbook Man. The senior play preview came soon after, and we returned to our classrooms wondering whodunnit.

The UMES Jazz ensemble entertained the juniors and seniors in a mid November assembly. Actually, it was more than entertainment. We felt a pride in graduates of Wi Hi who were talented enough to be included in this specialty group: Bill Milbourne and Kendall Leonard on saxophone, and Chico Waters on trumpet. We listened attentively to the music of the 40's like "All the Things You Are." We tapped our feet to the rock and roll of the 50's and 60's. We responded to music of the 70's by participating in the music. No one could keep still while the walls resounded to the beat of "Boogie Oogie Oogie," "Get Off," and "Got to Get You into my Life". And finally, we greeted a super performance with a standing ovation.

After Christmas, the Fine Arts assemblies entertained us. There were several in one week. The campaign assembly, Senior awards assembly, and Underclass awards assembly closed a year of entertainment.

Best Of The 10's

Tonight's The Night

Most guys and girls wondered why they were smiling when they spent the last pennies of their paychecks for a one-night affair. But all the excitement was not over just another Friday night, but over the Senior Prom.

Couples came decked out in their grandest attire, with the guys sporting top hats and canes while the girls donned slinky dresses and spike-heeled shoes. Even though the punch-bowl watchers kept an eye out for would-be spikers, most eyes turned to the bridge archway as some 250 couples entered the Civic Center Midway Room.

Flight 009, a popular band from Washington, were the center of attention as they played, and again when they blew fuses. Principal Evans recognized seniors and their escorts and they danced to the senior class theme, "Do You Know Where . . . You're Going To".

The evening seemed short with the wait in line for pictures, the socializing with friends, and the fast pace on the dance floor, but for most, the good times had just begun. Couples roamed from party to party, ate scrambled eggs at the Prom Breakfast, or just relaxed with their friends at Ocean City to end the prom in the wee hours of the morning.

Some complained that it took many hours of hard work and pennypinching for one night on the town. Most agreed, however, that it was well worth a chance to be in their dancing shoes for an evening.

Last Of The 70's

Last Of The 70's Exits

Gay prom gowns and varied tuxes made way for blue and gold gowns as 274 soon-to-be graduates filed into the Wi Hi auditorium on the 21st of May for Baccalaureate service. At last, it began to sink in that end-and the beginning-were near. Exams, general use slips, and broken lockers were about to become a part of the past. And then, graduation.

It was the last time they would ever walk together, and they felt anything but alone. Most seniors had aunts and uncles. cousins and parents watching tearfully and proudly. "Pomp and Circumstance" filled the Ben Maggs Physical Activities Center as their class solemnly filed in. The concert choir sang "Climb Every Mountain" and "Do You Know Where You're Going To?" and Mary Morrison recalled the class history. Remarks were made by Mr. Evans, Principal, and each class officer urged classmates to live a happy and successful life. Than all rehearsal ended as each graduate's name echoed across the gymnasium and Mr. James Taylor, Jr. of the Wicomico County Board of Education presented diplomas. He was assisted by Mr. Bill Hensley and Mr. Dave Johnson, assistant principals.

Patrick Rogan, Class President, said a farewell to and for the Class of '79, the Alma Mater was sung, and Paul Lewis said a final Benediction. With these last words, the Seniors left the gymnasium-in the middle of a crowd, but now alone- the last of the 70's.

Daphne grips her long-awaited diploma.

Pretty maids all in a row, bow their heads in prayer.

The gang's all graduated and it's time for the party to begin.
